WPCC 2017

This Year's Convention

The Meaningful Life.

What do you think is the purpose of life? What is it that gives your life meaning? How can you make sure you're not wasting your life? How might God want you to answer those questions?

Over the course of the weekend we will be considering some of the truths the Bible teaches us about life, its purpose and what gives it meaning. To help us in this task we're delighted to have Rick Lewers and Craig Dobbie at WPCC as our Bible teachers.

Rick Lewers is the Anglican Bishop of the Armidale Diocese. He is married to Janene and they have three adult children. While he loves to fish, hunt and is a passionate South Sydney supporter, Rick's greater passions are to preach the Gospel, to teach God's Word and to see people raised to maturity in Christ.

Rick thinks that when Jesus' hour had come, telling his disciples he was going away to prepare a place for them so that where he is they could be also, gives meaning to life. Rick will be teaching us from John 14-16.

Craig Dobbie is married to Louise & they have 3 daughters who love sport, but not as much as their father. Craig has been part of the ministry team at EV Church in Erina almost since its inception 20 years ago, working in the areas of Maturity, Mission and Training. He is currently the Senior Minister of Peninsula EV Church Woy Woy.

Craig thinks the meaningful life is characterised by good relationships and the pursuit of those things that matter in eternity. Craig will be speaking to us on the topics of purpose and fertility.
